

VULNERABILITY OF BAY-DELTA SYSTEM FUNCTIONS

PROBLEMS

picture of flooded tract-
need to determine if the
area is actually flooded and
where it is? Picture is at
CALFED

Flooding

Cartoon of pre-1850 Delta land
levels versus land levels of today

Subsidence

Cartoon of the Delta's
susceptibility to damage
from earthquakes

**Susceptibility
Unknown**

* Potential to have large picture of
flooded levee on another easel??

OBJECTIVE

**Reduce the risk to Bay-Delta system functions from catastrophic
innundation.**
